

AAFSC Volunteer Information & Requirements

We can't do it without you!

The Ann Arbor Figure Skating Club is a non-profit organization, that means we need YOUR help to make all of our events AMAZING! Being a member of the club means being a member of the community, and that means doing your part and putting in your volunteer hours. All AAFSC members are required to perform volunteer hours commensurate with their membership level according to the chart above.

For skaters with 2021-2022 AND 2020-2021 membership

With several of our events this season held virtually or cancelled, we understand that the available volunteer opportunities have been limited. As a result, the Board of Directors has voted to **combine** the volunteer seasons for 2020-2021 and 2021-2022. Rather than require the full volunteer commitment for the 2020-2021 season, the required hours for the 2021-2022 will be **multiplied by 1.25** which must be completed by June 2022. This is a "discounted" combination of the volunteer hours for the two seasons.

Please use the chart below to determine your updated volunteer requirement for the combined 2020-2021 and 2021-2022 seasons.

Please Note: Uncompleted hours will be billed at the rate of \$5/uncompleted hour. Billing will occur early-June 2022. Renewal of AAFSC membership is contingent on the completion of or payment for the previous year's volunteer hours.

If you are in a different category for the 2021-2022 season than you were for the 2020-2021 season, the required volunteer hours *is the* amount listed under your 2021-2022 membership category. Please note that this is still a "discounted" combination compared to what you would have owed in the 2020-2021 season if we had not made this policy change.
