Class Information

Competition and Performance Club is designed to train and prepare skaters currently enrolled in AAFSC's LTS program for participation in the Michigan Basic Skills competition series (MBSS) and other performance opportunities throughout the year. Skaters in this group class will prepare for a competition event at their level, learn the process of competing and performing, and participate in a local Basic Skills competition or AAFSC club performance opportunity. The program is intended to introduce skaters to the excitement of competing and performing, build confidence in individual skating skills, and foster feelings of accomplishment and good sportsmanship. **Open to all AAFSC Learn to Skate members and/or Ann Arbor Figure Skating Club members.**

Your skater will receive 50 minutes of skating time utilizing the full ice with instruction. For Fall, **each skater in the Competition & Performance Club will learn and perform a personalized routine to music at the AAFSC Holiday Exhibition AND compete their Program & Elements that correspond to their Basic Skills level at ONE Michigan Compete USA competition.**
