It is our #1 goal that you learn to skate in a safe and fun environment! **Please fully read our Fall Learn to Skate Rules & Information (available on our website) before registering.** Masks are required for everyone at all times!

Learn to Skate classes will now be half an hour in length (excluding adult and specialty classes). Groups will be limited to eight skaters per instructor with a maximum of 35 skaters and 5-7 instructors on the ice.

Groups will be spread out on the ice and there will be no free-time at the end of class as we have done in the past.

There will be no make up classes available under any circumstances. Due to the limited skaters allowed on the ice, we will unfortunately not be able to accommodate make up classes.

For all questions, please contact our Learn to Skate Director, Mary Johanson at coachmaryjohanson@gmail.com
